

2017 Editorial Calendar – DEW Journal

Published monthly from India, Circulated internationally

DRILLING & EXPLORATION WORLD

DEW

INTERNATIONAL EDITION

Volume 26 Number 03

THE COMPLETE ENERGY JOURNAL

IN PUBLICATION SINCE 1989

ISSN - 0971 - 7242

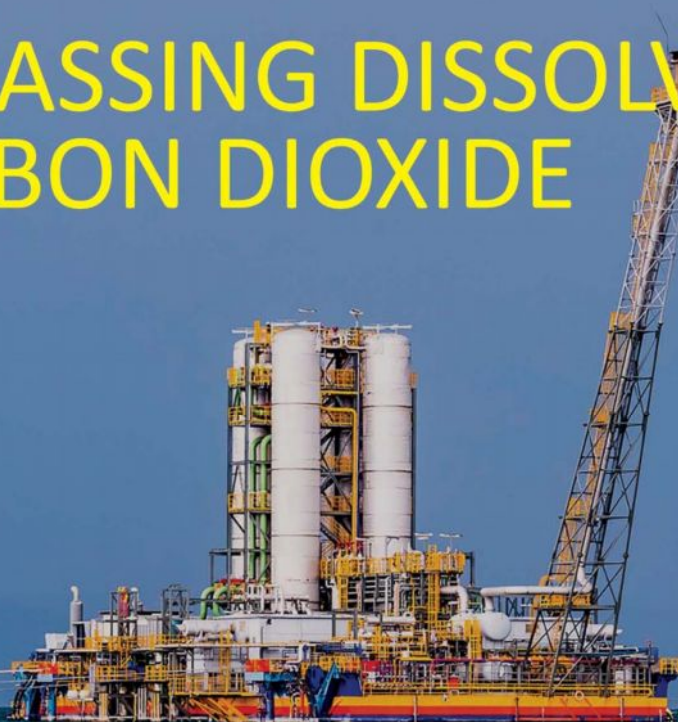

dewjournal.com

January 2017

MEDIA PARTNER

DEGASSING DISSOLVED CARBON DIOXIDE

Broad transformations in the global energy landscape viewed _____ **Page 20**

Page 30 _____ OPEC Secretary General discuss: **Oil Price Volatility: Challenges & Opportunities**

India and the OECD - A mutually beneficial partnership : OECD _____ **Page 60**

INNOVATION

Novel geothermal space heating and cooling system by CEGE, PDPU

_____ **Page 84** _____

AVAILABLE IN HARD AND SOFT COPY

TESTIMONIALS

(Extract - Message of H.E. Late Dr A.P.J. Abdul Kalam, former President, Republic of India to DEW Journal)

"The Drilling and Exploration World (DEW) Journal, a publication focusing on upstream and downstream activities of the oil and gas industry provides up-to-date information on developments in the field of energy, engineering, exploration, production and drilling. I hope the journal will continue to serve its readers with reports and analysis on developments in the industry regarding new technology and equipment, especially at a time when global oil prices make it imperative for developing cheaper methods of extraction and refining of hydrocarbons."

(Extract from the letter of H.E. Abdullah bin Hamad Al Attiyah, Chief Administrative Control and Transparency Authority, State of Qatar and former Deputy Prime Minister, former Chief of Emiri Diwan of Qatar and former Qatar's Petroleum)

"The Journal is very informative and contains useful technical and business information. It vividly covers oil and gas global issues"

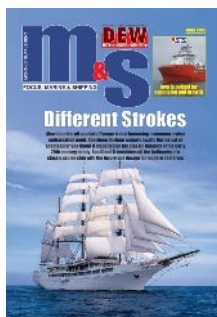

OIL & GAS SOCIETIES PATRONISING DEW JOURNAL

AAPG, APG, IADC, PETROTECH Society India, SPE, SPG India and NLGI India

ABOUT DEW JOURNAL

DEW journal published MONTHLY by Technology Publications, India since 1989 is an internationally circulated journal focusing on energy, oil & gas, refinery & petrochemicals, engineering, renewable, marine & shipping, machine & tools and HR & training and finance.

DEW Journal has Three Supplements published periodically over the year on

HUMAN RESOURCES MARINE & SHIPPING MACHINE & TOOLS

MAJOR AFFILIATIONS AS MEDIA PARTNER

MAJOR EVENT – 2017

Gastech 2017 Conference & Exhibition, Tokyo, Japan

21st Manufacturing Technology Asia 2017 (MTA 2017), Singapore

19th Asia Oil & Gas Conference (AOGC 2017), Kuala Lumpur, Malaysia

16th Asian Oil, Gas & Petrochemical Engineering Exhibition (OGA 2017), Kuala Lumpur, Malaysia

22nd World Petroleum Congress 2017 (22nd WPC), Istanbul, Turkey

Gas Indonesia 2017 Summit & Exhibition, Indonesia

30th World LPG Forum 2017, Marrakech

For complete list of events being promoted by DEW Journal visit www.dewjournal.com

EDITORIAL CALENDAR - January 2017 to March 2018*

JANUARY 2017

Focus Areas:

- Metallurgy; Corrosion resistance tubing, hydraulic lines and drilling risers.
- Natural Gas, LNG, FLNG, Gas Trading, Shale Gas, CBM and Gas Hydrates.
- Asset Integrity Maintenance and New Techniques
- Energy Infrastructure Management

FEBRUARY 2017

Focus Areas:

- Bio Fuels & Lubricants, Unconventional Oil & Gas and Wind Energy
- Emerging Trends in oil & gas exploration and refining technology
- Automation and Well Control; Cyber Security for Critical Energy Infrastructure
- HSE Management

Regular distribution plus additional distribution at the following event(s):

- NLGI – Fuels and Lubricants Conference, India

MARCH 2017

Focus Areas:

- Lubricants for oil industry, Bio-degradable lubricants.
- Offshore Engineering
- Natural Gas, LNG, FLNG, Gas Trading, Shale Gas, CBM and Gas Hydrates.
- Machine & Tools

Regular distribution plus additional distribution at the following event(s):

- Oil & Lubricants Conference, Chandigarh, India
- Gastech 2017, Tokyo, Japan
- 21st Manufacturing Technology Asia 2017 (MTA 2017), Singapore

APRIL 2017

Focus Areas:

- Simulation, Software and IT solutions for oil and gas industry
- Marine technology solutions; Subsea and Deepwater technology
- IOR/EOR, Drilling Fluids and Cementation
- Drilling Bit technology and equipments

Regular distribution plus additional distribution at the following event:

- 19th Asia Oil & Gas Conference (AOGC 2017), Kuala Lumpur, Malaysia

MAY 2017

Focus Areas:

- Emerging Trends in oil and gas exploration.
- Pipeline Hot tapping & Plugging, Cleaning and Industrial greases.
- Reservoir Engineering, Well Engineering and Well Maintenance
- Offshore Facilities Construction & Design. Offshore Logistics

JUNE 2017

Focus Areas:

- Engineering, Procurement, Construction & Management
- Natural Gas and LNG
- Industrial Control Systems, Industrial Automation, Process Safety and Environment Management
- Petroleum Geosciences. Geology & Geophysical Services/Technology/Products

Regular distribution plus additional distribution at the following event(s):

- 16th Asian Oil, Gas & Petrochemical Engineering Exhibition (OGA 2017), Kuala Lumpur, Malaysia
- 22nd World Petroleum Congress 2017 (22nd WPC), Istanbul, Turkey
- Gas Indonesia Summit 2017, Indonesia

JULY 2017

Focus Areas:

- Refining and Petrochemicals Technology ; Industrial lubricants and greases.
- Critical Power Control Systems and Instrumentation.
- Unconventional Resources, Renewable energy and Coal technology.
- Digital Oil Fields, Communication, Cyber Security and Disaster Management

AUGUST 2017

Focus Areas:

- Drilling Bit Technology, Oil field chemicals and Lubricants
- Market Forecast – Up, Mid and Downstream Oil & Gas Trends
- Pipeline and Instrumentation & Control Systems
- Offshore support vessels, helicopters in oil and gas industry.

SEPTEMBER 2017

Focus Areas:

- Reservoir Management, Geo-mechanics & Modelling. MWD/LWD
- Toxic gas management in Refineries and upstream operations, Risk Management.
- Welding trends and technology, Valves, Fittings and LPG
- Remote Sensing in oil and gas exploration

Regular distribution plus additional distribution at the following event(s):

- 30th World LPG Forum 2017, Marrakech

OCTOBER 2017

Focus Areas:

- Arctic vessels. Helicopters in oil industry
- Engineering simulation solutions for oil and gas.
- Industrial Rubber oil tools; Automation in Oil and Gas industry
- Software and IT solutions for oil and gas industry

NOVEMBER 2017

Focus Areas:

- Pipeline Technology and Pipeline Integrity Services.
- Artificial Lift, Asset Integrity and Subsea operations
- Offshore Oil & Gas Technology and Facilities, Oil Spill preparedness
- HPHT, Geosciences, Petroleum Geophysics

DECEMBER 2017

Focus Areas:

- FPSO, Deepwater Drilling Rigs and Technology
- Drilling and Offshore Oil & Gas Technology and Services
- Flow Assurance Solutions.
- Supply chain management in oil and gas

JANUARY 2018

Focus Areas:

- Petroleum Geosciences; Geochemistry, Reservoir Geophysics, Subsalt and Deepwater Exploration
- Deepwater Exploration & Production; Offshore Engineering, Subsea. Deepwater Drilling Rigs.
- E&P, IOR, EOR, Hydraulic Fracturing, Artificial Lift, Well Stimulation, Well Testing.
- High temperature greases for offshore operations.

Regular distribution plus additional distribution at the following event(s):

- Geo India 2018 - South Asian Geosciences Conference and Exhibition, Greater Noida (NCR Delhi), India
- Oil & Lubricants 2018, Chandigarh, India

FEBRUARY 2018

Focus Areas:

- IOR, EOR, Hydraulic Fracturing, Artificial Lift
- Drilling Technology and Oilfield Chemicals
- Engineering Simulation
- Bio Fuels & Industrial Lubricants

Regular distribution plus additional distribution at the following event(s):

- NLGI – Fuels and Lubricants Conference, India

MARCH 2018

Focus Areas:

- Geoscience Software and IT solutions for oil and gas industry
- Unconventional Resources and Renewable energy.
- Safety instrumentations
- LNG, FLNG, Gas Trading, Shale Gas, CBM and Gas Hydrates

* Editorial Calendar is periodically reviewed, updated and is subject to change without prior notice.

Note:

- Please note, editorial features and events listing are subject to change. Check from info@dewjournal.com for information regarding editorials and additional distribution of DEW Journal.
- Deadline is 20th day of each month
- The text of all editorials/advertorials may be sent in WORD format while photos/figures/images in high resolution in JPEG or pdf format.
- Editorial/advertorial contributions for publication are subject approval by the Editor.
- Editorials/advertorials and inquiries related to editorial contributions/press releases/technical papers may be sent to the Chief Editor, at info@dewjournal.com or dewjournalindia@gmail.com
