

Manufacturing Myanmar 2017

20 - 22 October 2017

MEP at Mindama

Yangon, Myanmar

Growing in tandem with the country's fast-developing manufacturing industries, Manufacturing Myanmar, the country's dedicated manufacturing trade event recognised for its strong international presence, is committed to support the growth of the intensifying local manufacturing scene.

In 2017, Manufacturing Myanmar is set to welcome suppliers from 15 countries/regions. From machine tools, factory equipment, measuring devices to mould & die and many more, the show is the all-inclusive one-stop platform for trade buyers from across Myanmar.
