

# DEW Journal

## EDITORIAL CALENDAR \* Upto March 2021

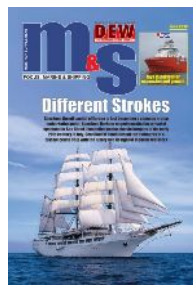

In publication since 1989, **DEW journal** published MONTHLY by Technology Publications is an internationally circulated journal focusing on energy, oil & gas, engineering, information technology, marine & shipping, machine & tools, HR & training and finance.

**AVAILABLE IN PRINT & ONLINE EDITION**

**Special Supplements:**

HUMAN RESOURCES

MARINE & SHIPPING

MACHINE & TOOLS

\*Tentative, subject to change.

## **DECEMBER 2019**

### **Focus Areas:**

- Reservoir Management, Geo-mechanics & Modelling. MWD/LWD
- Petroleum Geosciences. G&G Services/Technology/Products
- Toxic gas management in Refineries and upstream operations, Risk Management.
- Remote Sensing in oil & gas exploration and Role of GIS.

## **JANUARY 2020**

### **Focus Areas:**

- Arctic vessels. Helicopters in oil industry
- Alternative Energy, Bio fuel Technology and Agri oils, lubricants & greases.
- Tribology & Energy Conservation
- Industrial Rubber oil tools; Automation in Oil and Gas industry

### **Regular distribution plus additional distribution at the following event(s):**

- NLGI – Fuels and Lubricants Conference, India

## **FEBRUARY 2020**

### **Focus Areas:**

- Pipeline Technology; Pipeline Integrity Services and Nano Technology.
- Artificial Lift, Asset Integrity and Subsea operations
- Offshore Engineering and Simulation solutions for oil and gas; Infrastructure management
- Software and IT solutions for oil and gas industry

### **Regular distribution plus additional distribution at the following event(s):**

- Offshore Technology Conference (OTC) Asia, Kuala Lumpur, Malaysia
- SPG-India Oil and Gas G&G International Conference & Exhibition, Kochi, India

## **MARCH 2020**

### **Focus Areas:**

- Oil field chemical & lubricants; Critical Power Control Systems and Instrumentation.
- Pipeline Hot tapping & Plugging, Cleaning and Industrial greases.
- Future vessels, solutions and technology.
- Unconventional Resources, Renewable energy and HSE.

### **Regular distribution plus additional distribution at the following event(s):**

- Asia Pacific Maritime 2020 Conference & Exhibition, Singapore

## **APRIL 2020**

### **Focus Areas:**

- Geoscience Software, IT solutions for oil and gas industry; Petroleum Geochemistry and Deepwater Exploration
- Marine technology solutions; Subsea and Deepwater technology
- IOR/EOR, Drilling Fluids and Cementation
- Drilling Bit technology and equipments

## **MAY 2020**

### **Focus Areas:**

- Metallurgy; Corrosion resistance tubing, hydraulic lines and drilling risers.
- Natural Gas, LNG, FLNG, Gas Trading, Shale Gas, CBM and Gas Hydrates.
- Asset Integrity Maintenance and Energy Infrastructure Management
- AI and Big Data Science.

### **Regular distribution plus additional distribution at the following event(s):**

- The Oil and Gas Conference 2020, Kuala Lumpur, Malaysia

## **JUNE 2020**

### **Focus Areas:**

- Bio Fuels & Lubricants, Unconventional Oil & Gas and Wind Energy
- Emerging Trends in oil & gas exploration and refining technology
- Oilfield Automation; Industrial IoT, Cloud Computing & Cyber Security.
- HSE Management

### **Regular distribution plus additional distribution at the following event(s):**

- The Sourcing Summit on Petroleum & Chemical Equipment, Shanghai, China

## **JULY 2020**

### **Focus Areas:**

- Lubricants for oil industry, Bio-degradable lubricants.
- IOR, EOR, Hydraulic Fracturing, Drilling Technology, Oilfield Chemicals and Flow Assurance Solutions.
- Key oil & gas industry trends and outlook.
- Impact of digitalisation in Energy and Oil & Gas/AI/Data Science

## **AUGUST 2020**

### **Focus Areas:**

- Oil field chemical & lubricants; Critical Power Control Systems and Instrumentation.
- Pipeline Hot tapping & Plugging, Cleaning and Industrial greases.
- Offshore Facilities Construction & Design. Offshore Logistics
- Unconventional Resources, Renewable energy and HSE.

## **SEPTEMBER 2020**

### **Focus Areas:**

- Refining and Petrochemicals Technology ; Industrial lubricants and greases.
- EPC and Infrastructure Management, Welding trends and technology.
- IT-OT for Flow and Gas measurement, Valves, Fittings and LPG
- LNG, FLNG, Gas Trading, Shale Gas, CBM and Gas Hydrates.

### **Regular distribution plus additional distribution at the following event(s):**

- Oil & Gas Conference – MOGSEC 2020, Kuala Lumpur, Malaysia

## **OCTOBER 2020**

### **Focus Areas:**

- Digital Oil Fields, Artificial Intelligence, Cyber Security
- Petroleum Geosciences/Technology/Products; Deepwater Exploration & Production; Offshore Engineering.
- Energy efficient Fuels & Lubricants
- Industrial Control Systems, Industrial Automation, Process Safety and Future Mobility (Evs)

## **NOVEMBER 2020**

### **Focus Areas:**

- Drilling Bit Technology; Drilling and Offshore Oil & Gas Technology and Services
- Refining and Petrochemicals Technology ; Bio fuels, lubricants and greases.
- Pipeline Integrity, safety management and Instrumentation & Control Systems
- Offshore support vessels, helicopters in oil and gas industry.

## **DECEMBER 2020**

### **Focus Areas:**

- Unconventional Resources and Renewable energy.
- City Gas Distribution, LNG, FLNG, Gas Trading, Shale Gas, CBM and Gas Hydrates
- FPSO, Deepwater Drilling Rigs and Construction Technology
- Simulation, Software and IT solutions for oil and gas industry

## **JANUARY 2021**

### **Focus Areas:**

- Arctic vessels. Helicopters in oil industry
- Alternative Energy, Bio fuel Technology and Agri oils, lubricants & greases.
- Tribology & Energy Conservation
- Industrial Rubber oil tools; Automation in Oil and Gas industry

### **Regular distribution plus additional distribution at the following event(s):**

- NLGI – Fuels and Lubricants Conference, India

## **FEBRUARY 2021**

### **Focus Areas:**

- Pipeline Technology; Pipeline Integrity Services and Nano Technology.
- Artificial Lift, Asset Integrity and Subsea operations
- Offshore Engineering and Simulation solutions for oil and gas; Infrastructure management
- Software and IT solutions for oil and gas industry

## **MARCH 2021**

### **Focus Areas:**

- Food Grade & Radiation resistant lubricants
- Supply chain management in oil and gas
- Bio Fuels & Industrial Lubricants
- HPHT, Geosciences, Petroleum Geophysics
