

# OIL & GAS BOOKS

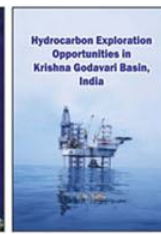

Delta Sedimentation East Coast of India

Geologic Settings & Petroleum Systems of India's East Coast Offshore Basins

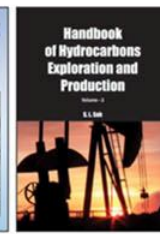

Hydrocarbon Potential & Exploration Strategy of Cauvery Basin, East Coast of India

Hydrocarbon Exploration Opportunities in Krishna Godavari Basin, India

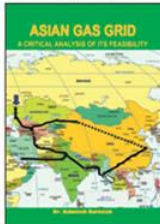

APG Geology and Geophysics Conference Proceedings (Volume 1 to 8)

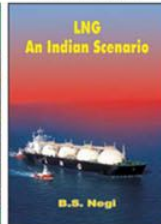

Handbook of Hydrocarbons Exploration & Production (Volumes 1-3)

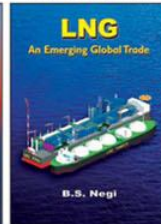

PROJECT MANAGEMENT OF HYDROCARBON PIPELINES - A Journey

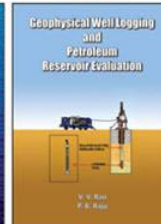

ASIAN GAS GRID - A Critical Analysis of its Feasibility

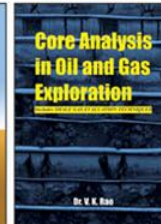

LNG - An Indian Scenario

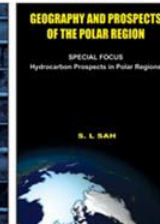

LNG - The Emerging Global Trade

Geophysical Well Logging and Petroleum Reservoir Evaluation

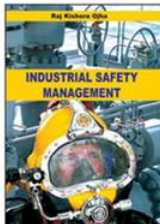

Core Analysis in Oil and Gas Exploration

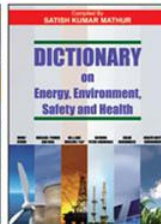

Geography and Prospects of the Polar Region

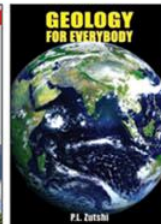

Modern Lubricant Technology

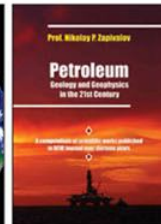

Industrial Safety Management

DICTIONARY on Energy, Environment, Safety and Health

Geology For Everybody

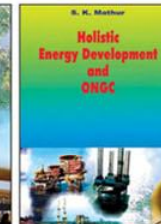

Petroleum Geology and Geophysics in the 21st Century

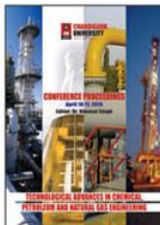

Handbook of DRILLING TECHNOLOGY Terms & Phrases

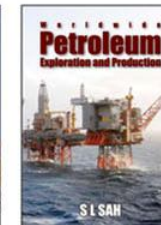

Contemporary Issues in Energy Sector

Holistic Energy Development and ONGC

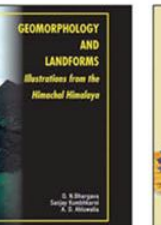

Technological Advances in Chemical, Petroleum & Natural Gas Engineering

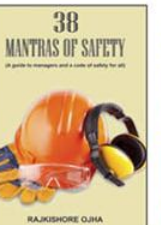

Worldwide Petroleum Exploration and Production

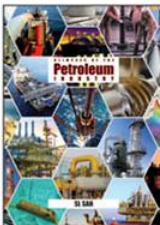

GEOMORPHOLOGY & LANDFORMS - Illustrations from the Himachal Himalaya

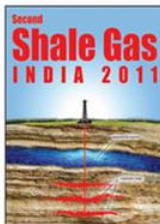

38 Mantras of Safety

Glimpses of the Petroleum Industry

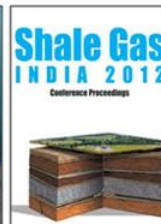

CITY GAS DISTRIBUTION An Indian Perspective

Conference Proceedings SHALE GAS INDIA 2011 (Only in PDF)

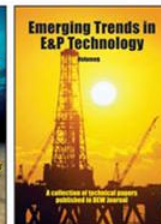

Conference Proceedings SUBSEA INDIA 2011 (Only in PDF)

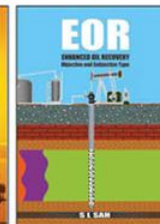

Conference Proceedings SHALE GAS INDIA 2012 (Only in PDF)

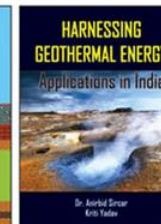

Conference Proceedings SUBSEA INDIA 2012 (Only in PDF)

Emerging Trends in E&P Technology (8 Volumes) (Only in PDF)

Enhanced Oil Recovery: Objective and Subjective Type

Harnessing Geothermal Energy: Applications in India
